**RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE
STATEMENT(S) TO SUPPORT SUBMISSION OF SEQUENCE LISTING**

SIR:

In response to the Notification of Defective Response mailed on June 9, 2006, Applicant submits the following statement regarding the required CRF copy of the sequence listing. Included with this Response is a Request for Extension of Time for one month and the appropriate fee of \$60. Accordingly, this response is timely filed. Also included is a copy of the Notification.

In accordance with 37 CFR 1.821 (e) I hereby state that the computer readable form (CRF) of the Sequence Listing of the above referenced instant application **10/527,263** is identical with the computer readable form (CRF) of the Sequence Listing of another application **PCT/US03/28135 filed 09/09/2003** of the applicant on file in the Office. The computer readable form (CRF) of the Sequence Listing in the other application was compliant with all of the requirements of this subpart. Therefore, Applicant requests the use of the compliant computer readable form (CRF) of the Sequence Listing that is already on file for the other application and

states that the paper copy of the Sequence Listing in the instant application (previously submitted) is identical to the computer readable form (CRF) filed for the other application.

Applicant's representative thanks Tamala Holland for her time during a telephone call around July 12, 2006, when Ms. Holland indicated that referring to the parent PCT application CRF copy of the sequence listing was sufficient to respond to the Notice.

Please contact Applicant's representative at (415) 875-2316 if there are any questions.

Respectfully submitted,
STEVEN M. SMALL ET AL.
